

David Haslett is a FAA Lead Planner in the FAA Air Traffic Organization's Planning and Requirements Group (PRG), in the Eastern Service Center. His area of responsibility is New England: Maine, Vermont, New Hampshire, Massachusetts, Connecticut, and Rhode Island. He also covers a section of upstate New York that is controlled by the Boston Center.

Prior to moving to PRG, he was an engineer working on airport both with the FAA and as an FAA Contractor for 15 years. He earned his B.A. in Civil Engineering Technology from Wentworth Institute of Technology, Boston MA.
