

# FRANK LEWERY, EIT

AVIATION DESIGN ENGINEER

PHILADELPHIA, PA

Frank Lewery, EIT, is an Aviation Design Engineer in the Philadelphia Aviation Department of Johnson, Mirmiran & Thompson, Inc. Frank started out at JMT as an intern before joining the team officially in 2018. For over six years, he has worked on numerous design tasks for Philadelphia International Airport (PHL), BWI Marshall Airport (BWI), Rickenbacker International Airport (LCK), John Glenn Columbus International Airport (CMH), and Naval Air Station (NAS) Oceana (VA).

Frank's work focuses on runway and taxiway design, pavement geometry, and construction phasing. Additional responsibility includes construction estimating and quantity calculations as well as design coordination and scheduling. Besides AutoCAD Civil 3D, Frank utilizes ArcGIS to monitor and create project data as well as map out construction inspection and sequencing.

Mr. Lewery is an Engineer-in-Training in the state of Pennsylvania and has a B.S. in Civil Engineering from Drexel University. He is an active member of the ACE Mentor Program – Philadelphia Region educating high school students interested in Architecture, Construction, and Engineering. In his spare time, Frank enjoys golfing and ice hockey.
