

Captain Matt T. Gorshe represents the Air Line Pilots Association (ALPA) as the Great Lakes Regional Airport Safety Coordinator and an Airport Safety Liaison (ASL) for the Dane County Regional Airport. The Air Line Pilots Association, International (ALPA), represents and advocates for more than 77,000 pilots at 43 U.S. and Canadian airlines, making it the world's largest airline pilot union.

Matt is a Chicago O'Hare-based Captain on the A320 and has 24 years of commercial flying experience in passenger and cargo operations, serving on the A320, B747, and B727.

Captain Gorshe serves ALPA on the Accident Investigation Board and as the Chief Accident Investigator within his airline. He also is a Safety and Accident Investigation training instructor for ALPA. Living in Madison, Wisconsin, he is a proud father to his four wonderful daughters and husband to his incredible wife, Catherine. During his limited free time, Matt is also a high school and college hockey official.
