

## **BIOGRAPHICAL SUMMARY**

Christopher Gardner is a licensed Professional Engineer in New York State with 32 years of experience in design, construction inspection, and materials testing. Mr. Gardner is currently Vice President - Aviation with DiDonato Associates Engineering & Architecture, P.C., where he has been involved with planning, design and construction inspection of airfield projects for the past 29 years, including runway, taxiway, and apron pavement projects. Mr. Gardner began his career with Professional Services Industries, Inc. (PSI), where he spent 3 years performing materials testing, including Marshall Mix Designs, P-401 Laboratory Quality Control Testing, and in-place asphalt density monitoring. Mr. Gardner is a 1993 graduate of the State University of New York, College of Environmental Science and Forestry, and holds a B.S. degree in Forest Engineering.
