

BIOGRAPHICAL SUMMARY

Marcela serves as the Senior Grants Specialist for the Niagara Frontier Transportation Authority, overseeing capital funding programs and grant processes for airport projects for the Buffalo Niagara International Airport and the Niagara Falls International Airport. With 17 years of experience in grant compliance and program reporting, Marcela is adept at navigating complex funding regulations set by the FAA and NYSDOT funding regulations. She works diligently to ensure that grant-funded programs stay on track and make a positive impact on the community's infrastructure.
